

2012 CALENDAR & NEWS

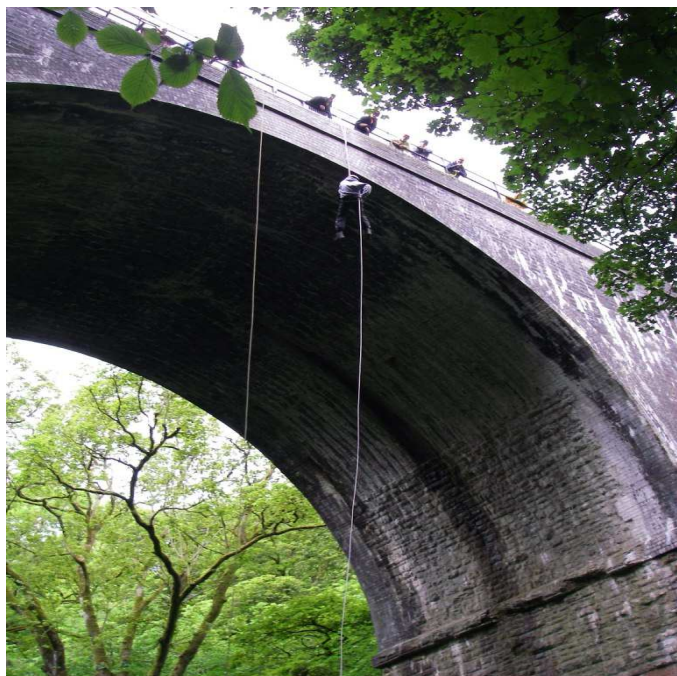

Events in 2011 were blessed with great conditions for climbing and kite flying. The year started with a full day of abseiling and rock climbing with students from Paulet School, Burton on Trent. Later, Nobel School, Stevenage were able to explore the newly opened tunnels along the Monsal Trail in Derbyshire.

Our prices in the calendar below are set for our under 18 years target group. All those over 18 will be asked to pay double.

Hence the **weekend cost for adults will be £120.00**

CLUB AGM & PHOTO EVENING...

Tuesday April 24th 7.30pm at Bowes Lyon House, Stevenage – a great opportunity to find out more about all our activities AND meet the voluntary and fully qualified team – we'd love to see you

Recently shown on BBC TV, the Monsal Trail tunnels are now open to the public giving an easy and enjoyable walk from Buxton to Bakewell. This is a group we encountered who were cycling the new route. In future visits we aim to offer cycling as an extra activity, but naturally there is an added expense.

Our visit to Pembroke at the far west of Wales, clear skies and gentle winds allowed us to climb, fly kites

and play in the surf and on pristine sands. Late at night we were able to carry out some astronomy and see the rings around Venus with the help and guidance of Pete and the Paulet School

telescope. In the photo, one of our leaders carries equipment down the sea cliffs ready to help novices start their climbing adventures.

To make a booking or for further information call New Call-back 07511 637943

We look forward to seeing you soon!
